Community Action Coalition for South Central Wisconsin, Inc. (CAC) is a community action program, serving both urban and rural communities in Dane, Jefferson and Waukesha Counties. The organization began in 1966 and exists to develop the economic and social capacities of individuals and families in order to reduce poverty. CAC provides a variety of services and products at no-cost to the community in order to improve the quality of life for those in need. CAC has four major divisions and provides direct programming in areas of food distribution to food pantries and meal sites; eviction and homelessness prevention through case management, financial assistance and education; community advocacy and collaboration with landlords, service providers, volunteers and other stakeholders. For more information on CAC in Jefferson County, call 920.262.9667 or visit www.cacscw.org.
